

Hampton Roads Fleet 30 British Virgin Island Trip 16-23 March 2013

It's 2012 and we are planning another trip to the BVI in 2013 like we did before. For those that missed the adventure in 2005, please join us for another fun time with other Fleet 30 sailors for a week of sailing, and fun in the sun down in the BVI's.

For those desiring to get additional information and sign up for the trip to the BVI's in 2013, the following provides the Group POC who is handling our group reservations. It is up to you to decide on the type of boat and find your shipmates and make reservations....Barbara can provide you quotes and numbers. You have the option to go with Moorings, Sunsail or FootLoose and she can provide you information for all.
